ECO SPONSOR

Provide fresh produce to 50 families and STEM education to Title 1 classrooms. Your support will enable us to educate people about the importance of sustainable farming and how it ties to our health and well-being. ECOLIFE is a vital resource for schools all over San Diego County with our ECO-Cycle Aquaponics Kit and on-site aquaponics workshops. This program helps provide vegetables in classrooms, and teaches students how to raise their own healthy and sustainable foods, and provides a hands-on K-12 STEM curriculum for teachers. These programs serve more than 20,000 teachers and students annually.
