PHOTOGRAPHY UNDERWRITER

JOHN ROWE PHOTOGRAPHY

John Rowe an Award winning photographer and filmmaker has spent over two decades documenting people and cultures worldwide. His work has focused on recording the life, changing cultures, and challenges of tribal people in Ethiopia's Omo Valley. His richly illustrated fine art book OMO VALLEY, with Foreword by Steve McCurry, was released in 2017. Rowe also directed and produced the acclaimed full-length documentary film Omo Child: The River and the Bush which has won twenty-five festival awards, been featured on PBS, and been instrumental in creating a profound cultural shift through powerful compelling real life stories.
